

# INSANE GLOSS

## TECHNICAL DATA SHEET

**REFERENCE:** #11203  
#11204

**Sizes:**

### DESCRIPTION:

Detroit's Insanity Tire Dressing is a deep lustful water based premium dressing for Tires, Vinyl and Trim. The SIO2 Silicone level is loaded & off the charts to create the industries premium dressing, for interior, exteriors and even engine compartments. Being water based it can be diluted to create a matte finish if required. VOC compliant, bio degradable, non toxic and non flammable make Insanity your choice for tire bling and a super clean new care look.

### DIRECTIONS OF USE:

Shake Well. Dilute 1:1 with water for extreme gloss or 2:1 or 4:1 for high gloss or a satin shine. Spray directly or wipe on clean dry surface. Allow Insane Tire Dressing to penetrate for maximum gloss and protection. Wipe off excess with clean soft towel. If higher gloss is desired, reapply or dilute less. Use regularly for maximum protection.

1. Inspect and ensure the surface is clean.

3. Spray or wipe on rubber, plastic or vinyl

3. Mix 1:1 for high gloss; 4:1 for satin shine

4. After rainbow effect, use a clean microfiber towel to wipe down gently, flipping the towel continually.
